

NM 4-H Discovering Wildlife in New Mexico

400.J-12 N-18

Objectives: To introduce youth to wildlife management including life zones, pollution, predators, game, and hunting.

Materials Included in this project:

- Discovering Wildlife in New Mexico Project Book 100.J-12
- Record Form 300.A-7 (R-18)
- Discovering Wildlife in New Mexico Greentop 400.J-12 (R-18)

Suggested tips for successful project completion:

- Review the project book, record sheet and greentop before preparing speeches, workshops or demonstrations.
- Make a check list to complete as you work this project.
- Participate in county, state and regional fairs.
- Enter project materials or demonstrations in the county, district or state contests.
- For the completion of the project, complete the record sheet and turn in a county record book to your local Extension Agent.

Ideas for talks and posters:

- Different life zones in New Mexico.
- What does a Conservation Officer do?
- How to be a responsible sportsman.

Suggested Activities:

- Give demonstrations or illustrated talks.
- Exhibit posters at county, regional or state fairs.
- Volunteer to clean a wildlife habitat like a forest, lake, or BLM.
- Give a prepared speech or demonstration on big game to your club or school.
- Attend events to listen to experts in the field.
- Help others prepare a speech or demonstration about wildlife.
- Complete a state record book (for Senior 4-H'ers).

Additional info can be found from:
