

Garment Plan

Explanation: This exercise is designed to help you identify how the garment(s) and/or accessories you plan to acquire will be used in your wardrobe. You may think of this as a tool to help you think about how the item(s) can be coordinated with other items in your present wardrobe. Include this in your notebook.

On what basis did you choose the item(s) you plan to acquire? Check the most appropriate answer(s).

- It is an item I have never had in my wardrobe.
- It is a new color, design, or texture for me.
- I am replacing an item that is too small, too large, worn out, I didn't like.
- I need a special occasion item for _____.
- I don't *need* the item, but want to add it to my wardrobe because I like it.

List clothing pieces in your wardrobe which will be worn with the item(s) you will acquire for this project. Refer to the wardrobe inventory list by category, color and style.

How often will you be able to wear the acquired item(s)? *Check only one.*

- Year round to school
- Year round for dress up
- In the summer for dress up
- In the winter for dress up
- Only for special occasions
- In the summer for casual occasions
- In the winter for casual occasions
- Year round for all occasions
